

## 9 September

Our day started early at school. After we finished at 12:15 pm, we had some free time in Torquay. Some of us bought souvenirs, others just relaxed and enjoyed the good weather.

In the afternoon we had several options: play mini golf, watch a movie in the cinema or go bowling.

We split up in groups and went to our activities. We had a great time together :)

Later, around 6:15 pm, we met at the Princess Theatre, where we were picked up by taxis or our host families.

Here are a few impressions of our day...
