

## Day 15 – Windsor Castle

Today we finally went to London! First we said good bye to our host families. We left Torquay really early so everyone was pretty tired. After four hours we arrived at Windsor Castle. The Union Jack was hoisted on top of the tower, which means that the King was in the castle. The area was so beautiful but full of people from different countries. Anouk's favourite part was the garden. Leni's favourite part was the tour through the castle. However, the whole trip to Windsor Castle was one of the greatest highlights. Did you know that the dollhouse of Queen Mary is over 100 years old? After that we went to our hotel where we will stay till Tuesday.
