

The Second Day – Exploring Torquay

After everybody had got to school we met our teachers and got to know each other. We did some exercises about England and the United Kingdom. Then, at 12:30 we walked to Torquay together. When we arrived we had a short lunch break and a first look at Torquay. After a break we all met in a little park by the sea. We got a sheet of paper and a map of Torquay to do some tasks like: „Ask different people where you can get the best ice cream!“ or „Go to KFC and find out how much a regular ice tea is!“. After everybody had finished their tasks we had a longer break to go to Torquay again. However, some people rather wanted to stay in the park. At 17:45 the coach took us back to our houses. That was day two – Torquay
