Have you ever tried the „Hanbury’s famous fish & chips“? No?! We’ll tell you where you can find them later.

We started our day like the others. At school we talked about art and music. Some of us were really happy that we didn’t eat sandwiches for lunch. Instead we walked through Torquay to Babbacombe beach where we finally ate the famous fish & chips at Hanbury`s. We can highly recommend them because they were freaking delicious!!

After we had finished our meal, all of us went trough a forest which looked a little bit like a rainforest or a jungle. It was a steep path. Luckily nobody fell or broke his/her legs. ☺ When we arrived down there, there was a beautiful beach. The boys were tough enough to make it into the water. In the meantime 6 of our students were getting “married”. Anouk found some amazing shells on the beach.

One hour later we took the way back home.

In Torquay we ate some fantastic ice cream at “Roly`s Fudge Pantry”, because we found out in the town-quiz about Torquay that this is one of the best ice-cream places here. Fudge is a local speciality (caramel, butter, milk and chocolate). After eating together, we had some free time and could go shopping at Primark, buy books at Waterstone’s or just look a bit around Torquay.

Above all, we are really tired now. It was an incredible day and we had lots of fun. We were lucky, because there was only a little bit of rain for a few minutes and the rest of the day was sunny.

In the first picture you see the fish and chips. The rainforest and our best friends you can see in the second picture. The married couples are in the last picture.
